## OGC makes training even more accessible

Whether you need training to help new users learn our software or allow old hands to perfect their knowledge, OGC<sup>1</sup> provides training that is adapted to anyone's needs, with sessions provided in-store or over the phone or with group training offered in different regions. To make training even more accessible, OGC is launching a new **on-line presentation and training program called "Net Training."** This great program will save you time and money with its powerful interactive tools that anyone can access. Attend these sessions on your own or as a group for the same price.

**NEXT PRESENTATION (FREE):** June 17. Discover all of the benefits of the O<sup>2</sup>web business portal. (Details on page 2)

The complete training calendar will be sent to you shortly.

<sup>1</sup> OGC is accredited with Emploi-Québec's Direction de la formation de la main-d'œuvre.
