Allan (Al) C. Holton joins OGC as Regional Sales Manager

MONTREAL, August 12, 2009 – OGC announces the appointment of Allan C. Holton as Regional Sales Manager for Ontario and Manitoba. His mandate will be to drive business development and service our customer base in these provinces.

"OGC's product and service offering, combined with Allan's knowledge of the retail operations in the hardware, lumber and building materials industry, will bring great value to retailers wishing to improve their businesses," says Patrick Du Paul, executive-vice-president at OGC.

Allan can be reached on his cellular phone at 519-317-1954 or by calling the OGC direct line at 1-888-642-7587.

About OGC

With a well-established client base throughout Canada, OGC is the industry's leading developer and installer of computer systems for home improvement retailers and their vendors. A progressive company with more than three decades of experience in the field, OGC provide state-of-the-art management information (ERP) and point-of-sale solutions.
