OGC meets its clients across Canada

MONTRÉAL, October 1st 2010- As an information technology supplier for more than 300 merchants across Canada, it is vital for OGC to be attentive to the needs of its clients and to offer them privileged expertise. It is for this reason that OGC is offering all its clients the opportunity to meet during four client sessions that will be held from now until spring 2011. *(Montréal, October 22, 2010; Calgary, November 17, 2010; Toronto, February 2011, and Moncton, February 2011)*

The participants will discover the new OGC-Plus version 11, meet experts who will share tips to help optimize their work and will have an exclusive access to OGC's new tools. The merchants will also be invited to share ideas, talk about their needs and industry realities.

With these meetings, OGC fill its mission which is to help clients improve their competitiveness and offering management solutions based on best industry practices.
